

All the best partnerships start with a **FREE** Health Check from Dogs Trust this Christmas.

Most responsible dog owners agree on one thing.

Your dog's breed, gender, diet, exercise and how much you care for him or her all help to give your dog a healthier, happier and a longer life.

That's why Dogs Trust Malta is offering a free Health Check for your

dog this Christmas.

Text Dogs Trust now on HEALTH CHECK to 777 111 00 to get your free Dogs Trust voucher for your dog's free Health Check or call 7962 2262 for more information.

Offer closes 31st January 2011. Offer subject to availability.

A dog is for life, not just for Christmas.
